

“I’m committed to Hudson. That’s why I moved my Donor Advised Fund.”

– Dr. Linda McDonald

Want to support Hudson in a simple way? Move your Donor Advised Fund to Hudson Community Foundation where it helps support our community. I did, and it was easy. And the administrative fees paid by the fund stay right here, helping the community I love.

Hudson has always meant a lot to me and my late husband Pete. Not only did I move my Donor Advised Fund from another community foundation, but I’ve created our legacy by establishing an endowed Field of Interest Fund in our name. This way Pete and I will continue to support the causes that are important to us forever.

- Administrative fees stay here in Hudson and cost me nothing because they are paid by my fund.
- During my lifetime, I will make grants to the specific causes I choose, anywhere in the country.
- When I’m gone, Hudson Community Foundation will make grants from our Legacy Fund to support the field of interest that I have chosen.
- HCF is managed by local people who I know and trust, and they’re located right downtown.
- HCF meets the highest of national standards of community foundations.
